

Which programme is for ewe?

The core activity of all Raising the Baa programmes is the challenge of herding a flock of sheep into a pen, with the 'baa' being raised as necessary according to the team's rate of success. The exercise kicks off with a video briefing in all cases. In addition to this core activity, the following are added:

LAMB – Half Day (2.5 hours)

- Facilitation and re-grouping in the field.
- Review and reflection session for last 20 minutes.
- Set of digital photos for sharing/printing.

PRIME LAMB – Half Day (3.5 hours)

- Facilitation and re-grouping in the field.
- Review and reflection session for last 30 minutes.
- Set of digital photos for sharing/printing.
- 'Baa-rometer' report issued within 5-7 working days of their event date.

(**PLUS OPTION TO ADD ON 'DRIVE'** – series of virtually-delivered training modules building on delegate learnings from the sheep-herding activity)

EWE – Full Day (6 hours + lunch break)

- Facilitation and re-grouping in the field.
- The day is punctuated with professionally facilitated mini workshops incorporating additional teambuilding activities (including building a yurt for teams of 10-16 people).
- Review and reflection session for last 40 minutes.
- Set of digital photos for sharing/printing.
- Edited video incorporating their learnings, produced within 10-12 working days of their event.

(**PLUS OPTION TO ADD ON 'DRIVE'** – series of virtually-delivered training modules building on delegate learnings from the sheep-herding activity)

RAM – 2.5 day modular

- For 10-16 people only.
- Module 1 - EWE programme content.
- Module 2 (3-4 weeks later) Professionally facilitated workshop, using video recorded on Module 1, building on lessons taken from sheep-herding.
- Module 3 - (3-4 weeks later) Return visit to the farm - repeat level of task achieved in Module 1 to check lessons learnt in action; the 'baa' is raised with different herding challenges; final 'test' in field to witness team's progress.

(**PLUS OPTION FOR 1:1 PERSONAL DEVELOPMENT COACHING AFTERWARDS**)
